HI TECH STORY

September 19, 2019

6:00pm – 8:00pm

HiTech Story is a monthly speaker series that provides the opportunity to interact with and learn from successful leaders and guest lecturers from some of Silicon Valley's top tech companies. Each month, the HiTech Story Speaker Series will provide an inclusive and interactive environment for attendees to "talk story" with high-level professionals in an intimate setting and network with the local business community. Events will include a presentation by the guest lecturer, followed by a Q&A and light pupus and refreshments.

Introducing HiTech Story Speaker Series with Special Guest Kevin Yu. Kevin Yu founded an internet-based trading company that arbitrated pricing differentials between the United States and Japan while in Tokyo. He joined PayPal Inc in 2004 to manage International Consumer Protections, and in 2006, he advocated for and led PayPal's expansion to Japan, culminating in PayPal's successful market-entry after the passage of the Electronic Money Transmission act by the Japanese Diet in 2009.

He strongly believes that hard work and ingenuity can overcome the most challenging problems of our time, while enhancing and not compromising our standard of living.

CREATIVE MORNINGS

September 20, 2019

8:00am – 10:00am

Creative Mornings is a monthly breakfast talk series for the creative community in Hawaii. Speakers are selected each month by each chapter based on a global theme. September's theme is on muse and the Honolulu chapter will be featuring Ara Laylo, a local artist, designer, educator, collector, erstwhile musician and concert promoter. She works as the Creative Director at Nella Media Group (NMG) and oversees the creative helm of 12 publications and 7 channels while also teaching courses on design theory and typography at the University of Hawaii at Manoa.

Join us for fresh coffee, friendly people, and an international array of breakfast foods while we celebrate our city's creative talent, but also promote an open space to connect with like-minded individuals. To RSVP, click [here](#).

CIVIL BEAT BRAINSTORM: **School Suspensions** **and Student Discipline**

CIVIL BEAT BRAINSTORM

September 26, 2019

6:00pm – 7:30pm

Civil Beat is trying something different. Join us for a new type of collaborative engagement event: Civil Beat Brainstorm. Instead of hosting a panel around a specific story or issue that we've already written about, we want you to come to us with your ideas and share your knowledge on a topic we feel deserves a stronger media spotlight.

This Civil Beat Brainstorm will focus on school suspensions and student discipline, and Civil Beat education reporter Suevon Lee wants to hear from you to gather ideas for future stories.
