

# Empower Your Business with SSBCI Hawaii Technical Assistance Services

Are you a small business in Hawaii seeking financial assistance, strategic planning, and expert guidance to grow? The State Small Business Credit Initiative (SSBCI) Hawaii Technical Assistance (TA) Program is here to help! Our program provides critical support to help businesses navigate funding opportunities and enhance operations for long-term success.

## Small Businesses

Businesses applying for, preparing to apply for, or having previously applied for SSBCI capital programs or other federal/state small business programs

## Very Small Businesses (VSB)

Businesses with 10 employees or less, including independent contractors and sole proprietors

## SEDI-Owned Businesses

SEDI-Owned businesses as defined in SSBCI Technical Assistance Guidelines (April 2022)

## Our Services

### Legal Services

- Business formation and governance documents
- Registrations, licenses, filings, and certifications
